Deadline for all games in this issue is September 19, 1984 at 5PM except
for phone orders which are due by September 18, 1984 at 11:30PM.

I have game openings in: 1>Bio-War(\$2), 2>Kregish Dip(\$2), 3>New
Improved Extra Strength Dip(\$2), 4>Time Distortion Dip(\$1),
5>Treachery(\$1), and one game of regular diplomacy(\$3). The gamefee for
each game is listed after its name. Standbys are needed. You must sub to
Hai! Jikai! to play or standby.

SIGNED UP:

Variant: Acheson(3pd)

Standby: Givan(R), Carter(R), Peters(R&V), Jurkowski(R&V),
Acheson(R), Woodson(R&V), Reynolds(R)

Odds and Ends:

- There is a new copy of the houserules on page 8. Section 12 has been rewritten. Your player code is also included.
- The gamefee structure has changed slightly. I'm also opening up one more game of regular dip, seems that's what most people want.
- There were two typos in Time Distortion Dip. "A01, B01 & B02" should read "A01, A02 & B02" and "a01, b01 & b02" should read "a01, a02 & b02".
- The pictures are from last month's Perricon. They were taken by HJ staff photographer Evans Givan. Picture #1 is (clockwise) Larry Perry, Greg Fritz, Jay Schufeldt, Jerry ?, Mike Maston, Ed Menders. #2 is (L-R standing then kneeling) Ron Spitzer, Dave Villadson, Ken Hagar, Mike Bohannon, Craig Cameron, Ken Gestiehr, Evans. #3 is (clockwise) Ed Menders, Jay Schufeldt, Ken Gestiehr, Mike Maston. #4 is Larry & Evans.
- You may have noticed that HJ looks just a little bit different each time. I'm just trying to make continuous improvements.
- The system I currently use to prepare HJ is a Commodore 64 with a 1541 disk drive, 1650 Automodem, an Epson MX-80 printer, and a Cardprint +G interface. Plus assorted software of course.
- For all kinds of free info on MCI Mail call (800) 424-6677. The cost for an instant letter to another user is \$1, for a quick letter by USPS it's \$2. There are no charges except when you mail a letter.
- Received the first fake I've gotten this year, Perlmutter's Revenge.
- Hot weather continues, July was the hottest on record.
- A closing thought, Diplomacy is the art of saying "nice doggy" until you can find a rock.

GAME NOTES: The map is on page 5. Deadline for orders thru S'05 is on page 1. It has been brought to my attention that in the Fall 1903 season a French army was turned into a fleet. Since nobody brought it to my attention sooner it must remain a fleet, according to my house rules. I am very sorry for the confusion and inconvenience that was caused by this error.

FRANCE-GM: OK! OK! So it's a fleet in my breast - you can't say I haven't tried to make it an army...and how I need it now!!

FRANCE-England: Take that & that &.... you Slimy Limey How dare you counter my counter-attack!

FRANCE-ITALY: Oh yeah? Sure I understood...the GM gives me a fleet I don't want while you peter out with the Hun. Let's see how far you'll piss in Frogland!

REYNOLDS-GIVAN: Alas my friend, I said you looked distinguished...I didn't say anything about looking shrewd! And now the Central Powers must face the Ice Queen; who have sold their blood now to the vampire. Anyone out there wish to open up a Blood Bank?

Marc-Pierre: All that press last season, and nothing for me. Just cause I wasn't with the wacky group from the beginning is no reason to jilt me.

Marc-Evans: Last time I ever invest in a currency of your country.

West Coast Defamation League: Did you here about the --- aw shit. that's right, the pubber of this zine is a West Coaster. Never mind.

Tur-Ita: Please let me survive! I won't hurt you, I promise.

Tur-Fra: Are you going to help, like a nice froggy, or not?

BOURSE PRESS:

GMS-TAPP: Does that cute little Spiderman outfit have a fly? Is it washable or do you have it dry-cleaned?

GMS-SS&S: I saw that you've closed the doors of your regional office. I hope you'll reopen. I need to make a withdrawal.

GMS-GM: That's one way to clean up my press.

PPM-New New Mexicans: Sure move away from Harmony - but it will do you no good - Bedlam is watchin you.

PPM-((SIC!!!)): What's the matter with you - are you ill or just sic?

Poison Pen-Tapper: Say old insect lover - would you come over to my factory and eat to your hearts desire. Exterminators are terribly expensive.

((SIC!!!))-GM: Je, allot uv dedwud in hear. Sum uv themm ar eaven playing!

((SIC!!!))-PPM: Stopp snapping att mye helcs, will yu? Gho ahead - NMR! (No munchies received?)

SS&S-TAPP: Why don't you apply to the 'Bruce Wayne Foundation' for a loan. I understand they often underwrite super heroes. Or, you could sell J. Jonah Jameson some candid "shower" shots of the GMS.

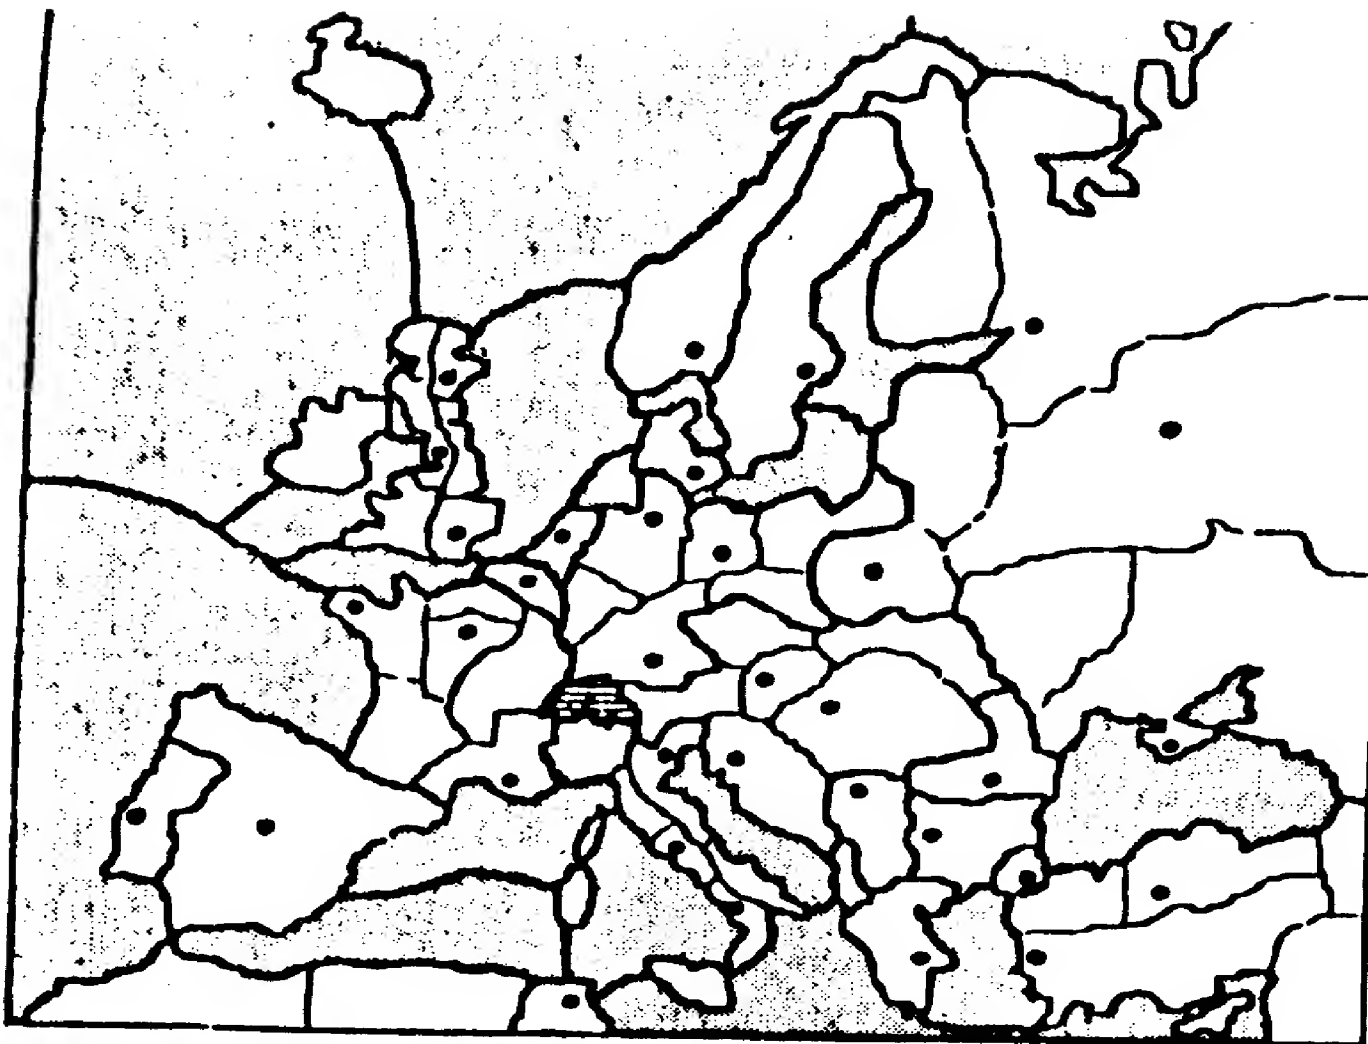

SS&S-((SIC!!!)): Now that we aren't going to have Evans to kick around anymore, what do you say we start dumping Lira?

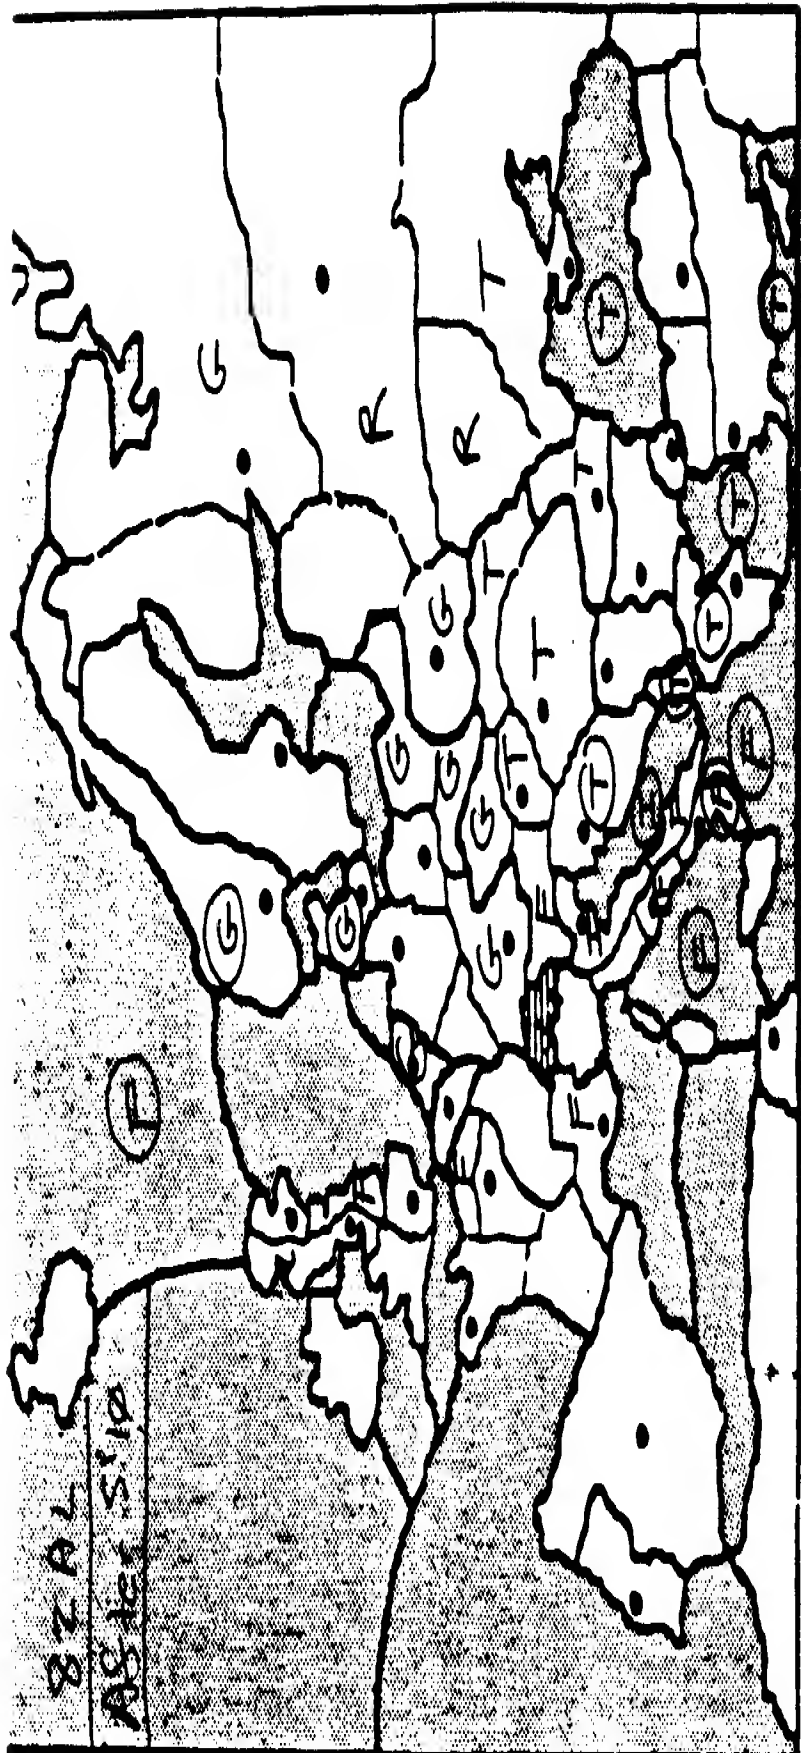

SS&S-Tinamou: What would a contract on Poison Pen and ((SIC!!!)) run?

SS&S&S-GMS: Sorry we have had to put you in a backorder situation. We promise to be up to full delivery schedule by the end of the month.

True Blue Brew Crew-GM: I should know better than to let the Post Awful handle my mail...

PRESS:

Ger-Ita: This must be a terrible experience for you. You haven't been able to stab me, yet.

Mun-Kie: Want to deal, Kiel?

Ger-Tur: Lucky, lucky, lucky! What a standby position to get! When I get a standby, it's usually hopeless. Or soon becomes so. Right Mark?

GM-Ger: Wait 'till you see what I've got for you on the next page.

Mark-Michael: Sorry - thought I had a change of orders in. It didn't matter but it was sloppy - now you have two bumblers for allies. Hopefully Evans will move better this year.

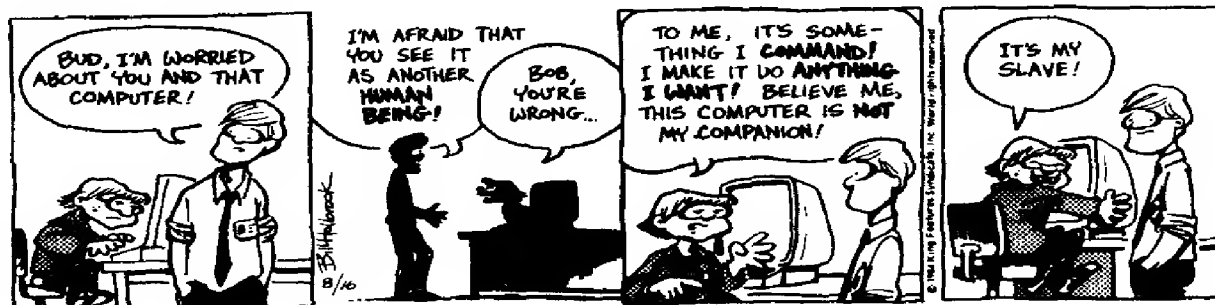

Bourse Press (cont):

TBBC-PPM: Maybe next year the locals will be much worse. We can only hope...

(BTMF): C.&P.R.R. announces four new passenger trains: (1) The Love Train (2) The Oriental Roach Express (3) The Cinder Special - also called The Energy Saver. It uses coal engines, instead of diesels, and permits open windows. (no a/c). (4) The Pothole Local - formed of old baggage cars. (They used them during WW2.) #1 is our luxury train.

On The Fastrack

Ha! 'Jikai! House Rules

- 1.0 The 1976 Rules of Diplomacy will be used except as overridden here or by the rules of the variant being played.
- 2.0 Preference lists will be used if supplied.
- 3.0 Spring 1901 NMRs will delay a variant. Neutral orders will be used in regular dip.
- 4.0 Conditional orders are encouraged.
- 5.0 Two requests are required to separate seasons unless stated otherwise.
- 6.0 Orders should be on separate pieces of paper for each game and should also be separate from all other correspondence.
- 7.0 Orders should include the game's number or name, the country, the season, the date, and the player's signature. Orders with the latest date or the highest priority number will take precedence. Where two or more sets of orders have the highest precedence ambiguities may occur.
- 8.0 Each unit MUST be individually ordered and MUST have the correct ID. A or F
- 9.0 I will attempt to interpret badly written orders to an extent. But if you do badly write an order you MUST accept my interpretation of the move. If you want an order to be truly mis-written, tell me.
- 10.0 You are free to use whatever abbreviations you want. But, if you don't use standard ones, you get what I decide, NO arguments. NOR usually is NWY.
- 11.0 The unwanted convoy will be allowed. Even to disrupt a purely land move.
- 12.0 Orders may be mailed or phoned and must arrive on or before the deadline. Deadline dates and times will be stated in each issue. NO calls after 11:30PM. ABSOLUTELY NO collect calls. NO NMR insurance calls will be made. I make NO guarantees that you will be able to reach me by phone.
- 12.1 Player codes will be assigned. You should use your player code when phoning in orders. It is not required though unless you request it to be. You may request to have a new code assigned at any time.
- 12.2 I will now also accept orders via selected electronic mail systems. Orders may be sent via MCI Mail (I will now be checking for orders on this system), my mailbox is MFELLER. I will also accept orders on other systems, but you must inform me of what system and I must agree that it is acceptable. Orders on any system must be in by the stated deadline.
- 13.0 Errors in adjudications must be reported by the next deadline or they will stand.
- 14.0 Standard treatment of NMRs. Standbys will be used if available.
- 15.0 Resignations will be accepted with a final set of orders. The player can recommend a replacement.
- 16.0 A Standby will receive a free issue of HJ when he is called and submits a set of orders.
- 17.0 A player may win by meeting the victory criterion or by concession.
- 18.0 Draws and concessions may be proposed by and may include any remaining country. I will NOT run DIAS games.
- 19.0 An NVR is a vote against yourself.
- 20.0 Grey press except on black press games. You may dateline press from anywhere except for anyone else's home centers and the datelines: Vondium, GM, HJ, Hai! Jikai!, Orangevale, Vallia, & Dray (Prescot) which are mine.
- 21.0 If you deceive the GM here, bad things WILL happen to you.
- 22.0 These rules may be changed or amended at any time.

Well, there they are. I tried to keep them very simple. If you have any questions about them, feel free to ask.
